Declared Value of Customer's Guitar	Declared Value for Shipping Purposes

I understand that this order is subject to the terms and conditions accompanying this order and that AxCent Tuning Systems retains the right to refuse the installation for any reason. I understand that the guitar will be modified and that the installation may change the weight, sound and feel of the instrument, and that the installation will void the original manufacturer's warranty. I understand that accidents can happen and that the guitar may be damaged during the installation, and that, if the guitar is materially damaged during the installation, AxCent Tuning Systems, at its sole discretion, has the right to pay the declared value or supply a guitar of equal or greater value. I understand that AxCent Tuning Systems will not begin the work until the Order Acknowledgement is accepted and returned by AxCent Tuning Systems. I agree to hold AxCent Tuning Systems harmless.
